

Red File: /libs/objdetect/cvObjdetect.reds

Source: C\_Functions/objdetect\_c.h

Fonctions: 5

Function	Summary
cvLoadHaarClassifierCascade	Loads Haar classifier cascade from a directory. It is obsolete: convert your cascade to xml and use cvLoad instead
cvReleaseHaarClassifierCascade	Release classifier object
cvHaarDetectObjects	Detects objects with Haar classifier
cvSetImagesForHaarClassifierCascade	Sets images for Haar classifier cascade
cvRunHaarClassifierCascade	Runs the cascade on the specified window
